

DEVIL'S IN THE DETAIL

Devil's in the detail, watch your step
Comb through all the small print, no regrets
Initial any changes, take your time
Pen, paper, sign, dotted line

Everybody does eventually
Difficult times or you wouldn't be here
We all make a living, each to his own
Not a debt, just a loan

Devil's....

Repayment's high, that's the rate
Bank said no, bills won't wait
Back to the wall, options gone
What could go wrong?

Devil's.....

The door is always open, no one turned away
Supermarket car park any time of day
Silent desperation, don't know what to do
A hundred diff'rent heartaches, it's all the same to you

Devil's.....

instrumental

Have no worries, have no fears
Help's at hand your saviour's here
Your neighbour's accidental fall
Is only hearsay after all

WHEN PAPA COMES HOME

There'll be no more sighin', no more cryin'
No accusifyin' when pappa comes home
No more cussin', no more fussin'
No huffin' and a puffin' when pappa comes home

Put bread upon the table, so long as I am able
Pie into the oven and a pickle in the jar
Caught a snapper in the river, cook it for my dinner
A little turtle soup and then corn fish boil

There'll.....

Workin' like a beaver, a singular achiever
Never stoppin' toilin' til the sun sinks low
You can call me crazy, But you can't say I'm lazy
Still be pushin' up the daisies when they lay me down

There'll be.....

Everyday's a work day, 'ceptin' on a Sunday
When I can have it my way, no worries, no cares
Then I'm back to workin', no stoppin' and no shirkin'
For they tell me that the boss he put the gris-gris on you

There'll be no more sighin', no more cryin'
No accusifyin' when pappa comes home
Y'hear me, no more cussin', no more fussin'
No huffin' nor no nuthin' when pappa comes home

BACK TO ME, CALL ME BACK

Been sittin here hours on end
Trying and trying and trying again
Voice-mailed endlessly

Though your agents are busy hell it's not with me

Call me back, (back to me), call me back, (back to me)
I've been waitin' so patiently
Call me back, (back to me), call me back, (back to me)
Sit a little longer incase you're free
Call me back, (back to me), call me back, (back to me)
Countin' down the minutes of eternity
Call me back, (back to me), call me back, (back to me)
Any chance you could get back to me?
Back to me

All I get's your busy tone
Always the same, I shuda known
Leave my number leave my name
Say you'll call back but don't say when

Call me back.....

Tappin' on the radial, count 4 rings
Vivaldi's in the corner with his violin
Sorry you can't deal with my call right now
Say that it's important but I can't see how

Call me back....
